Dear Parents/Guardians

A-level Mock exams- Monday 12th December to Wednesday 14th December 2016

These examinations are referred to as 'mock' since they are an attempt to duplicate the situation that will arise when all year12 and year13 students take their external examinations in May and June 2017. Despite the fact that they are effectively a practice, it is vital that preparation for them is sound, since the results can ultimately determine whether you child is entered for the public exam in the summer.

Year 12 and 13 will sit their mock exams during the period; Monday 12th December to Wednesday14th December. During this period students will be on 'study-leave'. This means that they will only need to attend school when they have an exam. A copy of the exam timetable is attached to the back of this letter. Students should be in school at least 15 minutes before the line-up time for each exam.

Students should ensure that they have all the necessary equipment for each exam with them in a clear pencil case. Under no circumstances should mobile phones be taken into the exam hall (Sports Hall).

The mock exams are an important 'staging-post' in students' preparation for their exams in the summer. I reiterate the importance of thorough preparation for these examinations and I ask you to encourage your son/daughter to complete some intensive revision.

If your child is ill during the examination period please notify the school in the usual manner via the First Day Contact line (020 8981 1231). Those students who miss an examination through illness will need to inform Mrs. Bradbury (Examinations Officer) in order to rearrange a time to sit the exam.

If you would like to discuss any aspect of your son/daughter's progress please feel free to contact me or their individual teachers. I can be contacted by phone or email.

Individual timetables will be given to your son/daughter by hand (during registration and form time) this week.

The results of these exams will be issued in January.

Yours Faithfully

Mr J Childs
